

How To Add A Colour

- 1) Navigate to the 'Create Colour' page by clicking on the 'Admin' and then the 'Colours' links and then on 'Create Colour' in the Colours list page.
- 2) When the 'Create Colour' page loads, add the Colour's name in the 'Name' field.
- 3) Click 'Create' and then the list of Colours will appear, complete with the new Colour that you just added.
