

How To Add A Manufacturer

- 1) Navigate to the 'Create Manufacturer' page by clicking on the 'Manufacturers' link and then on 'Create Manufacturer' in the Manufacturers list page.
- 2) When the 'Create Manufacturer' page loads, add the Manufacturer's name in the 'Name' field and then select a status for the Manufacturer.
- 3) Click 'Create' and then the list of Manufacturers will appear, complete with the new Manufacturer that you just added.
