How to Add a MyMM

There are two ways to do this.

Either click the 'Save To MyMMs' button that appears ate the top right hand corner of every page or

1. Navigate to the 'Create MyMM' page by clicking on the 'MyMMs' and then the 'Create MyMM' links.
2. When the 'Create MyMM' page loads, add the required details
3. Click 'Create' and then the list of MyMMs will appear, complete with the new MyMM.
